OH&S

Safe Work Month

This year for the first time, South Australia's major occupational health, safety and welfare (OHS) event will run over a month.

Safe Work Month will run from Monday 13 October to Friday 7 November. Employers, employees and contractors have the opportunity to attend FREE workshops across the State on workplace health and safety.

South Australia's four major OHS stakeholders, SafeWork SA, WorkCover SA, Business SA and SA Unions, are proud to work together again this year to bring you this event.

Everybody has a role to play to ensure the workplace is healthy and safe. Whether you are an employer, an employee or a contractor, we all need to work together to keep our workmates safe.
